Dear Bill Romeo:

On behalf of Monroe-Union County Community Development Corporation, I would like to thank you for assisting us in our Individual Development Account program. Your presentation was fabulous and the participants have expressed the need for you guys to come back. The workshops: Getting "Fiscally" Fit, and Stress and Your Health were exactly what our families needed as they prepare themselves for homeownership.

Monroe-Union County CDC incorporated in May of 1990, and has been providing financial literacy training for twenty years. We are excited about the new partnership with SOFA, and look forward to your next presentation.

Sincerely,

Isabelle Gillespie
